TAFT'S GRANDNEPHEW (Borrowing a leaf from Poe) We met in the month of November, Relatives of the usually optimistic The hills they were barren and

brown. She came, as I clearly remember, From out in Nebraska somewhere:

She said she'd left home in Septem-Der:

And she wore a dark comb in her hair: it was after the end of October; She seemed to be saddened and sober might be born under the Stars and

But her features were pleasing and Her eyes they were liquid and soul-

Her voice it was tender and sweet; Ah, the story she told me was dole

have been something like this: I was glad that we happened to 1912, Charley, before you decide to She was lapping up soup by the bowl-

But her manner was shyly dis-

She looked at me sadly and often,

I felt my heart tenderly soften, As I sat there, forgeting to ear, The wind it blew chiff when wa

The skies they were ashen and

She left me alone, and sail hearted, And I watched her walk slewly

She halted, once after she started, As if she had something to say; Her look it was sweetly appealing, And the years they come silently

The hopes I was beir to that day.

It Wasn't Towser

"How cold your nose is! These words came from the daught-

er of the house, who was sitting in the parter with her beaux. "Is Towser in the parier again?" demanded her mother from the next

There was a long pause. "No, mother: Towser isn't in the And then allence resumed its reign.
